An additional character for *Hollywood Lies* and *Halloween Lies*
by Jo Stinett

Instructions

Gwen Cortinelli is an additional character for **Hollywood Lies** and **Halloween Lies** that has been written by one of our customers - Jo Stinett. You should use the characters in the original game first, but if you have more guests than characters, you can use Gwen Cortinelli.

Gwen should be played by a woman - and in this case Sam Cortinelli in the original game) should be played by a man. Also, the person playing Jack Simpson should be slightly older than the person playing Gwen.

Including Gwen Cortinelli in your party

Print out this file. (Print out the last page on thin card, as for the other items and abilities). When you create an envelope for each other character, also create one for Gwen. Into Gwen's you should put the background, cast list and rules from the main game, plus the character sheets, abilities, name badge and \$5,000 from this file.

You will also need to add the following information to the appropriate character envelopes:

Additional information for Sam Cortinelli: Your wife, Gwen, is here with you tonight. She works as a secretary at a large LA law firm, and likes to pretend that it's more exciting and glamorous than it actually is.

[REDACTED]

When she was younger, Gwen was in a car crash and went into a coma. When she came around she found that she had a five year hole in her memories. She's a bit sensitive about it, and doesn't like you talking about it.

Gwen doesn't know anything about the money you've bought for [REDACTED]. It's best if it stays that way.

Additional goal - Look after Gwen: Gwen is your wife - keep an eye on her and make sure that she doesn't get into any trouble.

Additional information for Kara Montague: You recognise Gwen Cortinelli – she used to work with you when you were a singer. You didn't realise that she was married to Sam, the stuntman.

Additional information for Jack Simpson: You recognise Gwen Cortinelli

Gwen Cortinelli

You work as a secretary in a large LA law firm – which is a lot more mundane than you tell your friends. You are married to Sam Cortinelli who works in the movie business as a stuntman.

Sam was born into an ancient and proud Italian family [REDACTED]

[REDACTED] Sam never told you directly what his family did [REDACTED]

[REDACTED] And it has been good for you, new cars, new clothes, jewellery. But you still get a little nervous when Sam has contact with [REDACTED]. This morning, for example, Sam had a phone call from [REDACTED].

[REDACTED] find out if anyone suspects foul play in the death of Tom Speed. Of course, you'd heard of Tom's death on the news, but you didn't know why [REDACTED]

[REDACTED] You don't want to miss out on a thing.

Sam's also brought a considerable sum of money with him tonight and you don't know why. You intend to find out though.

You worked with Kara Montague at a restaurant, before you met Sam, and when she was trying to hit the big time singing. You never really got to know each other very well. Maybe you can hook back up with her and meet some people tonight since she has now made into the movies.

It would be fun to have a bit part in a movie – Sam spends much of his working life at the movies (he's a stuntman) and you would like to have some movie life of your own.
