

Hollywood Lies

Welcome to Hollywood!

It is award night and Tom Speed's latest film, *Dazzled to Death*, has just swept the board and won four "Eric's" for Best Picture, Best Actor, Best Director and Best Screenplay. Sadly, Tom Speed's award for Best Actor was accepted posthumously by his friend, Hayden Vicars, as Tom was killed in a driving accident late last night...

Despite this note of sadness, celebrations are in full swing at the *Dazzled to Death* post-award party. Deals are being cut for future productions and everyone is having a good time enjoying the atmosphere and mingling with Hollywood's movers and shakers.

Is there anything suspicious about Tom Speed's death? Who will win next year's Eric's? Find out at *Hollywood Lies*.

In *Hollywood Lies*, not everyone is as they seem – some have dark secrets they need to keep hidden . . . and someone is the murderer.

All those invited to *Hollywood Lies* are given a character. As they arrive they are greeted by the Master/Mistress of Ceremonies (MC), and welcomed to the party. Each character has goals and objectives that they must complete before the end of the evening. The characters have various skills and abilities that will help them uncover secrets and achieve their goals.

Players can form alliances, blackmail each other, steal items and even try to make the best movie for next year. Along the way they may solve some of *Hollywood Lies*'s mysteries. What is the Post-Modern Freeform Movement up to? Who will get tickets to the charity ball? What *really* happened on the set of *Snow Business*? And of course, how did Tom Speed die? Find out in *Hollywood Lies*.

How many people are needed for *Hollywood Lies*?

Hollywood Lies has been written for 16 to 32 guests – plus one host (the game co-ordinator). The step-by-step guide explains which characters to omit should you have fewer than 32 guests (you do need at least 16, however).

All the characters have been written so they are gender-neutral, so you can have any combination of male and female players.

And if you have even more guests, we have a few free extra characters for *Hollywood Lies* available on our website.

How does *Hollywood Lies* work?

Hollywood Lies runs over the course of three or four hours and suits a buffet meal. The host takes the role of the Master/Mistress of Ceremonies (MC), and acts as organizer, responsible for making sure everything runs smoothly. The host does not count towards the maximum or minimum number of players.

The guests are stars, producers and other Hollywood characters with their own goals. How they choose to achieve those goals is entirely up to them. *Hollywood Lies* is an evening of blackmail and movies!

As the evening draws to a close next year's movies are acted out and the game ends. Then everyone has a chance to find out what was really going on!

Is *Hollywood Lies* suitable for kids?

Yes! As well as being ideal for adults, *Hollywood Lies* can be enjoyed by kids aged 12 years and up.

Hollywood Lies went just perfect and everyone enjoyed themselves (we had 13 teenagers and 3 adults). It was just excellent! Isabell Auffermann

*We tend to go away as a group of 20+ every year or so, and one of the highlights of our holidays has always been the murder mystery night. **Hollywood Lies** took it to another dimension. It was fantastic.* June Wilson

*I loved the first game we played of yours...**Hollywood Lies**. Best night of my life ...my husband and I attended and only knew 2 people there. By the end of the night we knew 30 more people – all by their **Hollywood Lies** names! It was fun running into them various places and using our "stage" names. We loved it so much we always wanted to host our own.* Kerri

*We hosted **Hollywood Lies** for our daughter's Sweet 16 birthday party. She wanted to do an Old Hollywood theme where everyone dresses up. Because our daughter is in the Drama club at her high school, we knew this would be a big hit. 24 of the Drama students attended, they had such a good time and said it was the best party they have attended and they want to do one again very soon...With the thoroughness of your games it will be no problem, the hardest part is deciding which game to play!! Thank you so much for making my job easier.* Dee Reed
