

# Purrfect Paws Pageant Gazette

## Welcome

Welcome to the Purrfect Paws Pageant, a cat fancy competition with a \$1,000,000 main prize! The final judging will take place today, with the feline category winners competing for the main title.

We are all shaken by the death of Lady Catherine “Kitty” Percival, the owner of frontrunner Baba Ganoush III, but despite the police lockdown, we are continuing with the competition.

To honor her memory, we will serve complimentary glasses of Lady Percival’s favorite champagne throughout the competition.

## COMPETITION PROGRAM

**9:00-10:30** Time to mingle and an opportunity to meet the cats, their owners and the judges. At 10:00, each owner will make a brief presentation on behalf of their contestant.

**10:30** Supermeow’s grand reveal. Prof. Hilary Schrödinger will open the opaque carrier containing this unique specimen. Will this be the future of felinekind?

**11:00** Voting for the Best Cat. Deadline for the judges to submit their voting slips to Jordan Felini, who will tally the votes and announce the winner. (Competition host, Jordan Felini, will break ties.)

**11:30** Event ends. We are informed that the police might want to detain suspects then.

## ***THE GOSSIP COLUMN***

The last-minute addition of a new category, “Best Ginger Cat”, caused controversy among the judges yesterday. The host, Jordan Felini, was even accused of rigging the competition. Well, here at the Purrfect Paws Pageant Gazette, we are at least relieved that Jordan finally gave up entering their temperamental cat, Princess Snow, into the contest: Princess has been unofficially voted “America’s Worst Cat” for five years running.

Rumors are circulating that the Fellini mafia plans a heist at this event. Will Baba Ganoush III be targeted again? The nation’s beloved kitty disappeared last year, purportedly kidnapped by the Fellini’s, but fortunately escaped a few weeks later and found his way back to Lady Percival.

Fans are speculating about potential cat pairings since Like-and-Subscribe’s owner announced that the celebrity kitty is “looking forward to motherhood”. Also, fans have eagerly expected a Baba Ganoush IV for many years, but we’ve learned that the Baba Ganoush III is shy around lady cats—will he be the last of his line?
